

Horticulture CRSP Inception Workshop

May 16-18, 2010

Hosted by:

National Institute of Education
Singapore

Co-Hosted by:

Kasetsart University
Bangkok, Thailand

HortCRSP 

Workshop Goals

1. Understand the Horticulture CRSP objectives.
2. Confirm priority issues and opportunities in Horticulture Development.
3. Network with potential collaborators. Get acquainted with the Hort CRSP Management Entity and the International Advisory Board members.
4. Discuss Hort CRSP project benchmarks and assessment methods.

Workshop Outputs

1. Clarity and agreement on Hort CRSP objectives.
2. Shared understanding of horticulture priorities to help the poor in various regions/countries of the developing world.
3. A network of horticulture professionals with greater knowledge of each other's expertise and experience.
4. Increased familiarity among the network of horticultural professionals with the Hort CRSP ME and International Advisory Board members and their roles.
5. A common understanding of benchmarks and assessment methods.
